

**CONVERGENCE WORKSHOP  
SUPPLY LIST**

Two fat quarters (18" x 22" approx.) - (batiks work great) with lots of color and textures work the best, but large prints with a coordinating fabric work also. Also good to have is a third contrasting print to do a small breaking border, or another coordinating print for an outside border. Make sure you bring fat quarters - a regular 1/4 yard cut that is only 9" wide does not work.

Rotary Cutter

Mat, Ruler

Marking pencil/chalk pencil that you can see on the fabrics you choose to bring

Sewing machine and extension cords

Basic sewing supplies (seam ripper, pins, thread, pencils, etc.)

Ricky Tims Convergence book (see Helen or try the internet)

This is a very fun, easy no-stress workshop so just come with a smile and be ready to have fun!!
